## Privacy Policy

Protecting your private information is our priority. In this document, the privacy policy is described and governs data collection and usage. This statement of privacy applies to Nuphotonics.com. Unless otherwise noted, all references to NuPhotonics refers to NuPhotonics and nuphotonics.com. By using NuPhotonics website, you consent to the data practices described in this statement.

### Collection of your personal information

NuPhotonics may collect anonymous demographic information which is not unique to you.

NuPhotonics does not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain products or services. These may include: (a) registering for an account; (b) entering a sweepstakes or contest sponsored by us or one of our partners; (c) signing up for special offers from selected third parties; (d) sending us an email message; (e) submitting your credit card or payment information when ordering or purchasing products and services. To wit, we will use your information for, but not limited to, communicating with you in relation to services and/or products you have requested in the future. We may also gather additional personal or non-personal information in the future.

### Use of your personal information

NuPhotonics collects and uses your personal information to operate and deliver the services you requested.

NuPhotonics may also use your personal identifiable information to inform you of other products or services available from NuPhotonics and its affiliates.

### Sharing of your personal information

NuPhotonics does not sell, rent, or lease its customer list to third parties.

NuPhotonics may disclose your personal information, without notice, if required to do so by law or in good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on NuPhotonics or the side; (b) protect and defend the rights or property of NuPhotonics; and/or (c) act under exigent circumstances to protect the personal safety of users of NuPhotonics, or the public.

### Tracking User Behavior

NuPhotonics may keep track of the pages our users visit within NuPhotonics, in order to determine what services are most popular. This data is used to deliver customized content and advertising with NuPhotonics to the customers whose behavior indicates that they are interested in a particular subject area.

### Opt-Out of Disclosure of Personal Information to Third Parties

NuPhotonics does not collect personal information to give to third parties.

If you contact NuPhotonics through the website, you can contact us and your personal information will be deleted from the mailing list.

You have the right under the California consumer privacy act of 2018 (CCPA) and certain other privacy and data protection laws, as application, to opt-out of the disclosure of your personal information.

### Automatically Collected Information

Information about your computer hardware and software may be automatically collected by NuPhotonics. This information may include, your IP address, browser type, domain names, and access times. This data is used to maintain the quality of service and to provide general statics regarding the user of NuPhotonics.

## **Right to Deletion**

Subject to certain exceptions set out below, on receipt of verifiable request from you, we will:

- Delete your personal information from our records; and
- Direct any service providers to delete your personal information from their records

We may not be able to comply with requests to delete your personal information if it is necessary to:

- Complete the transaction for which personal information was collected, fulfill terms of a written warranty or product recall.
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity, or prosecute those responsible for that activity.
- Exercise free speech.
- Comply with the California Electronic Communications privacy act
- Comply with existing level obligation
- Otherwise use your personal information, internally, in a lawful manner that is compatible with the context which you provided the information.

## **Children under Eighteen**

NuPhotonics does not knowingly collect personally identifiable information from children under the age of eighteen. If you are under the age of eighteen, you must ask your parents or legal guardian for permission to use this website.

## **Changes to this statement**

NuPhotonics reserves the right to change this privacy policy from time to time, we will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your account. You are also expected to make sure you understand on this privacy policy, by continued use of the website and/or services available after such modifications will constitute your (a) acknowledgment of the modified privacy policy; and (b) agreement to abide and be bound by that policy.

## **Contact information**

NuPhotonics welcomes your questions and comments regarding this statement of privacy. You are encouraged to contact us through the website.

Effective as of June 20, 2023
